### Ford Assistance Plan

A Ford Assistance Plan makes it easy to get back on the road. If you run into trouble, our roadside assistance team will be given your precise location, and information on your vehicle, so they know the issue before arrival\*

### Remote Start

Cold morning? Automatic vehicles can be started remotely so that they're warmed up, de-iced and ready to go when you are.

### Health Status + Alerts

Your vehicle's health is important. Discovering potential issues early can make a huge difference. See your vehicle's health status in detail, and get alerts when something needs your attention.
