## MOTORHOMES - ANNUAL INSPECTION RECORD

In order to comply with the warranty, you must have your motorhome inspected and serviced by an authorised Swift Group Service Centre at least once per year.

It is important that the owner's handbook is stamped on the appropriate page by the authorised Swift Group Service Centre. Failure to do this will invalidate the warranty and the transfer of the warranty on the change of ownership.

The inspection should take approximately two hours and will cover the areas dealt with in the annual service check list. Any areas requiring service and/or maintenance will be highlighted by your dealer and we recommend that you authorise any necessary work to be carried out.

NB. It is essential, to validate the warranty, that an annual inspection be carried out by an authorised Swift Group Service Centre covering the items listed.

1. Damp and lamination test.
2. Chassis and chassis to body security.
3. Corner steadies.
4. Motorhome step.
5. Road lights, wiring and reflectors.
6. Internal lights and 12V DC system.
7. Water heater - gas and 230V AC.
8. Hob, grill and oven.
9. Refrigerator 230V AC, 12V DC and gas.
10. Gas system.
11. Water pump, taps and water system.
12. Mains 230V AC system.
13. Windows and fittings.
14. Roof lights.
15. Furniture hinges/stays etc.
16. Exterior locks and hinges.
17. All internal vents.
18. Seals.
19. Blinds and fly screens.
20. Blown air heating and gas fire systems.

## MOTORHOMES - ANNUAL SERVICE RECORD

Just as the engine/gearbox/roadwheels need regular servicing by your chassis dealer, so there are components in your conversion that need regular maintenance by your motorhome dealer.

These include the gas and electrical systems and the seals in the bodywork. Your dealer will complete the record in this handbook to show that the work has been carried out.

1. Chassis and chassis to body security.
2. Corner steadies.
3. Motorhome step.
4. Tyres and tyre pressures.
5. Torque wheel nuts.
6. Road lights, wiring and reflectors.
7. Internal lights and 12V DC system.
8. Damp and lamination test.
9. Water heater — gas and 230V AC.
10. Hob, grill and oven.
11. Refrigerator 230V AC, 12V DC and gas.
12. Gas system.
13. Water pump, taps and water system.
14. Mains 230V AC system.
15. Windows and fittings.
16. Roof lights.
17. Furniture hinges/stays etc.
18. Exterior locks and hinges.
19. All internal vents.
20. Seals.
21. Blinds and fly screens.
22. Blown air heating and gas fire systems.

DEALER'S STAMP

We certify that an annual service has been carried out in accordance with the handbook.

All the illustrations and descriptive matter in this handbook are intended to give a general idea of the motorhome. Changing market and supply situations and our policy of continuous product development may prevent us from maintaining the exact specifications detailed in this handbook. We therefore reserve the right to alter specifications as materials and conditions demand.

Dealers are not agents of Swift Group Limited, the manufacturer of Swift Group motorhomes, and have absolutely no authority to bind the manufacturer by any express or implied undertaking or representation.

All motorhomes (other than the engine, chassis cab and associated parts referred to earlier in this handbook which are subject to the relevant chassis manufacturer's warranty) have a 3 year SuperSure warranty from the date of purchase (or hire purchase), which is subject to a chargeable annual service and inspection being carried out at an authorised Swift Group Service Centre.

In the first 12 months this covers faults arising from a manufacturing defect but not those which are a result of normal wear and tear. The manufacturer will honour the warranty until 36 months from the date of sale, and providing that the motorhome has been serviced annually within 90 days

before or 30 days after the anniversary of the original sale. The third service must, however, be carried out before the expiry of the 36 month period from the original date of sale.

In years two and three the warranty will cover:

- i) All original components of the motorhome conversion including permanently fitted equipment forming part of the manufacturer's original specification.
- ii) Water ingress and body delamination.

### **Specific exclusions to SuperSure warranty:**

Glass, paint, brightwork and all similar trim and finish. Soft furnishings, carpets, floor coverings, work surfaces and all other décor. Window catches, stays and associated fittings. Blinds, hinges, catches, stays and doors. Replacement of bulbs, fluorescent tubes, fuses and electrical connections. Natural movement of internal doors and furniture. Audio equipment. Fair wear and tear.

The warranty will be invalidated if the motorhome has been neglected, misused or modified. The warranty on all internal components will be invalidated if the motorhome has been used for hire or reward. The motorhome will be deemed to

have been neglected if it has not been serviced and maintained as stated in this handbook.

The warranty only applies to motorhomes purchased and used within the UK, and for continuous journeys abroad of no longer than 90 days per journey.

The cost of transporting, towing or moving the motorhome by any means to or from the place of repair is the responsibility of the owner.

The benefit of this warranty may be transferred to a new owner if the motorhome is sold, provided that the motorhome has been serviced by an authorised service centre in accordance with the requirements of this handbook, and details of the change of ownership have been supplied to Swift using the change of ownership form set out in this handbook. Failure to notify Swift of a change of ownership within 14 days of such change will invalidate the warranty.

This warranty only applies to motorhomes purchased in the UK.

The above conditions in no way affect your statutory rights in respect of the motorhome.
