# Hire Purchase

Hire Purchase (HP) could help you spread the cost when you buy your dream caravan.

# Hire Purchase

## How it works

- You agree an initial deposit, an agreement term of 1-10 years, and monthly repayments with your dealer.
- Your dealer takes your deposit out of the total price of the caravan.
- You pay the remaining balance, plus interest, in equal monthly repayments over your agreed term.
- Black Horse buys the caravan on your behalf. That means we own the caravan for the length of your finance agreement.
- When you've made all the repayments, including any interest, you become the owner of the caravan.

---

## More details

**Flexible deposit options:** £0 deposit may be available.

**Fixed interest rate and monthly repayments:** You'll make the same monthly repayment throughout your agreement term, with a fixed interest rate.

**End of agreement:** You'll own the caravan after you've made all the repayments, including interest. We include a purchase fee of £10 as part of your final repayment.

**For full details, please speak to a representative or go online at [blackhorse.co.uk/caravan](https://blackhorse.co.uk/caravan)**

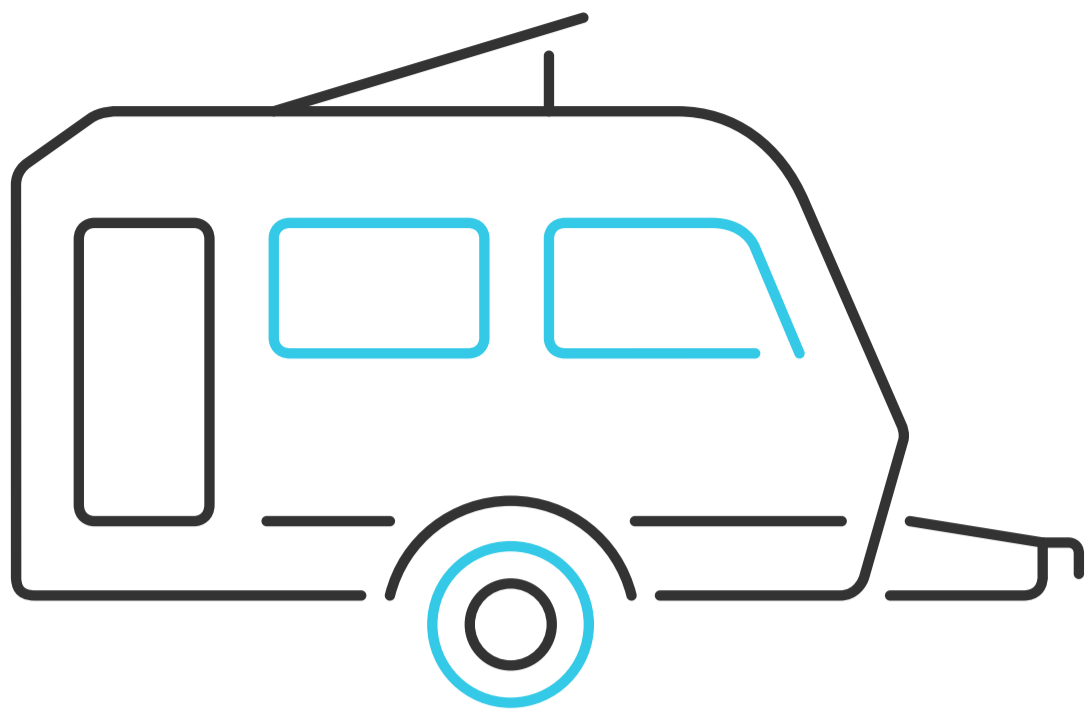

---

# Personal Contract Purchase

Personal Contract Purchase (PCP) can help you buy your dream caravan in lower monthly instalments than Hire Purchase. With PCP, you can choose to wait and pay off a large portion of your total repayment amount in an optional final repayment.

However, you will pay more interest on a PCP agreement than an HP agreement for the same loan amount, term and APR.\* This is because the amount you owe reduces more slowly due to the optional final repayment.

# Personal Contract Purchase

## How it works

- You agree an initial deposit and an agreement term of 1-5 years with your dealer.
- Your dealer works out your monthly repayment amount and optional final repayment amount. This is based on the anticipated value of your caravan at the end of your agreement.
- Black Horse buys the caravan on your behalf and owns the caravan for the length of your agreement.

**End of agreement:** You can choose to either part exchange, return the caravan or pay the optional final repayment to own it. These options may be subject to fees, charges or status. Your caravan could be worth less than the optional final repayment, leaving you with a shortfall to pay before you can start a new agreement. If you choose to return your caravan we'll assess its condition, allowing for fair wear and tear.
